To Whom it May Concern,

RE: Letter of Support for Joyful Minds Training

I would like to provide a letter of support to assist Joyful Minds Training in obtaining funding approval to deliver beneficial mindful programs to at-risk young people.

Joyful Minds Training are seeking to work collaboratively with other youth service providers in Broome to engage with at-risk youth and provide programs that will increase self-awareness, build skills to manage stress and help young people focus on their futures.

I support the funding application for these proposed programs as they will provide much-needed resources and skills to at-risk youth in this region.

Yours Sincerely,

A handwritten signature in blue ink that reads 'Rosetta'.
